

Family Loyalty Discount 2008-2009

Elgin Academy is pleased to offer a discount plan that takes into account both the number of children in a family who are simultaneously attending our school and the number of consecutive years that each family has had a child enrolled.

Discounts will be taken as a percentage of **tuition only** and the same percentage discount will apply to all children in the same immediate family. “Consecutive years” will be retroactive and will include the total number of **consecutive years** enrolled at Elgin Academy (includes consecutive years at Summit Academy).

Family Loyalty Discounts will be calculated and credits issued by our Business Office. For more information, please contact the Admission Office at 847-695-0303.
