

WINTER DRIVING 2007-2008

F.Y.I. to everyone...from Letty

Winter travel time is upon us again! Below find a couple of useful websites. Bookmark them for future reference, and travel safely this winter!

<http://illiniweather.com>

Illinois Weather by illiniweather.com

- Midwest Road reports has information for Illinois driving, and links to road reports for the following states: IN, IA, KY, MO, MI, MN, OH, and WI, plus winter weather reports.

<http://www.tsa.gov/travelers/index.shtm>

Transportation Security Administration (TSA)

- Includes national security information and security for air travelers. Also contains lists of what you can/cannot take on the airlines.
