

Birthday Books (PS-12)

It has long been a tradition at Elgin Academy for many students and their families to generously donate new books to the Library/Media Center in honor of the students' birthdays. This opportunity is available to ALL students in grades PS-12 and to faculty, administrators, and staff members.

In past years, hundreds of new books have been placed in our library – all with special signatures or bookplates. Our students love to discover from time to time the books they've given to our library!

To order a birthday book, please contact:

Lynne Schick

Library/Media Center Director
