

# Welcome to Elgin Academy

Whether you are attending a performance in the Kimball Street Theatre (in the Rider Center), a basketball game in the gymnasium, or one of our many outdoor events on the Quad, we want your experience to be a most enjoyable one.

**Parking:** On school days from 7:00 a.m. to 4:00 p.m., most lots are assigned to teachers, staff, and students. At all other times, feel free to use any of our parking lots with the exception of a few clearly marked spaces.

During school hours, clearly marked visitor spaces are available along the south side of

Kimball Street, in the Museum parking lot, and in the Dundee Avenue parking lot. Visitors to the Admission Office may park in the reserved spaces in the NW corner of the Sears Gallery parking lot.

When parking in the Museum lot, please respect the spaces marked "Museum Parking Only".

**Please Note:** On-street parking in the surrounding neighborhood is available, but it is subject to the City of Elgin's "odd-even" parking regulations.
