

Parent Booster Groups  
-- Athletic Booster Club (ABC) --  
2009-2010

**ATHLETIC BOOSTER CLUB (ABC):** The ABC promotes leadership skills, athletic excellence, lifelong health and fitness, school spirit, and sportsmanship within Elgin Academy's athletic teams and programs. We understand that when a student participates in sports, they will have the opportunity to build their skills and experience in one if not all of the aforementioned areas.

Our future focus will include activities that promote teamwork and support of Elgin Academy athletics within the Lower, Middle, and Upper Schools. We will seek out opportunities to maximize the athletic event experience for the athletes, fans, and parents. Additionally, in support of the Athletic Department and coaches, ABC is committed to communicating and emphasizing the importance of teamwork, commitment, and achievement as an Elgin Academy athlete or as a member of the Elgin Academy athletic support system.

All of our gifts to the school come from membership, sponsored events and fundraisers. Please help support our cause by purchasing a family membership. Also, if you would like to assist with an ABC event please complete the lower portion of this form.

All interested parents are welcome to attend the monthly meetings. Check website for current schedule.

**Yes, our family is interested in supporting the Athletic Booster Club!**

- |       |          |       |
|-------|----------|-------|
| _____ | Bronze   | \$25  |
| _____ | Silver   | \$50  |
| _____ | Gold     | \$75  |
