

Our annual donors help to ensure the year-to-year success of the Academy. One of the ways that our friends and families can help to ensure that the Academy remains a place of academic excellence is to provide funding for the future through planned giving. Those individuals who make provisions for EA in their will are securing the sustainability of Elgin Academy for generations to come.

The following are names of those individuals who have made known to us that the Academy is included in their will

*The information in this report is for the fiscal year 2004–2005 only.*

**E**very effort has been made to ensure that our lists are complete. If we failed to list your name in one of the *2004–2005 Annual Report* categories, it may have been for one of the following reasons:

1. We made a mistake and are sorry for our error.
2. You did not make your gift during the 2004–2005 fiscal year. This sometimes confuses our donors. Our giving year runs from July 1 to June 30 each year. Check your records to see if your gift was made during this period.
3. Are you sure you gave? With many appeals from worthy causes, it's easy to miss giving to one or another. Please check your records to be sure you gave to Elgin Academy.

## LETTER FROM THE BOARD OF TRUSTEES CHAIR

Dear Elgin Academy Community,

It is our pleasure to present the 2004-2005 *Annual Report*, an important communication medium of the Board of Trustees to all EA constituents. Within these pages, you will find financial information about the school and the names of the people and organizations that made gifts to Elgin Academy during the last school year. Whether a gift to the Annual Fund or an ad in our auction catalog, each contribution enables EA to continuously strive for **excellence in education** and fulfill its promise of **maximum challenge and maximum support** for each student. On behalf of the Elgin Academy Board of Trustees, our students, and our faculty and staff, thank you for making Elgin Academy a priority.

We are pleased to share with you that our school, based on external validating measurements such as the ISACS accreditation reporting and other comparison benchmarks, is gaining strength in every aspect. Of particular note are the areas of academic achievement of our students, the efficiency of our operations, our stable financial position, the strength of our board, and the collaborative leadership between the board and the administration. I can tell you personally that the Academy provides excellence in education as I watch many of our recent graduates thrive at college. The foundation they received at EA has allowed them to enjoy success in all facets of their college experience. Do not miss an opportunity to ask them directly.

As we celebrate past success with expression of gratitude to our donors and supporters by printing this report, we are also preparing for the future. The Annual Fund is well underway, Extravaganza preparations are in full swing, and the silent phase of our capital campaign has reached several important milestones. The Parent Association is once again making substantial gifts toward supporting our teachers and students. I thank everyone involved in these endeavors – it takes many people and countless hours to make each of these fundraising efforts and program enhancements a success. It is only through your hard work and dedication to the Academy that reaching these goals is possible.

Thank you again for making 2004-2005 a great year.

Sincerely,

Antonis Theodorou, Chair  
Elgin Academy Board of Trustees

## LETTER FROM THE HEAD OF SCHOOL

Dear Elgin Academy Friend,

With great pleasure, we present to you the 2004–2005 Annual Report. Within these pages, you will find the names of our dear friends who helped to make this past year a success. You will also see the smiling faces of many of our students—we certainly *do* have a lot to smile about! This past year was one of record enrollment. We ended the year with 422 students. We sent each of our 32 seniors off to some of the best colleges in the nation this fall, after they were collectively offered \$1.6 million in merit-based scholarships.

We also reached new heights in fundraising, raising the most money in one year in the Academy's history. In addition, we were happy to add the names of 121 *new* donors to the lists included in this report.

I'd like to take the opportunity here to thank a few people who made exceptional efforts to ensure the fundraising success of the year 2004-2005:

- Antonis Theodorou, Chairman of the Board of Trustees;
- Laura Anderson, Chair of the Development Committee;
- Claire Suevel, President, and all of the officers of the Elgin Academy Parent Association;
- Karen Karas, President of the Patrons of the Arts, and Ray Moller, President of the Athletic Booster Club;
- Terry Moore, Chair of Extravaganza XXVIII; and
- Each of you who contributed your time, talent, and financial resources.

This report celebrates the success of the past year, but our eyes are focused solidly on the Academy's bright future. We will continue to offer the most complete liberal arts curriculum, fulfilling our commitment to provide maximum challenge and maximum support for each student. We hope you will enjoy looking through this report to see your name and the names of other EA supporters who contributed to the Academy's success in 2004-2005.

If you haven't made Elgin Academy one of your philanthropic priorities, I certainly hope that you will consider doing so. Feel free to call me personally if you would like to know more about how your gift can make a difference in the lives of students today.

Thank you again for your support of the Academy, and I hope that you remain a part of our family for a very long time.

Sincerely,

Dr. John W. Cooper  
Head of School

## PARENT ORGANIZATIONS

We'd like to thank our Parent Association, Patrons of the Arts, and Booster Club for their significant contributions of cash, gifts-in-kind, time, and talent. Although we greatly appreciate the efforts of all our parent volunteers, we regret that space limitations prohibit us from listing the names of everyone who participated in the activities of these fine organizations during the 2004-2005 school year. We are, however, happy to be able to include the names of their leadership teams.

### ELGIN ACADEMY PARENT ASSOCIATION

President: Claire Suevel

Lower School Vice Presidents: Kim Robertson and Coca Skok

### PARTNERSHIP IN EDUCATION DONORS

Partnership in Education grew out of a scholarship fund called the Hilltop Fund established during the 1993-94 school year by two Elgin Academy alumni, Peter '75 and David '76 McDonnell. The Hilltop Fund was designed to provide tuition assistance to Upper School students from Elgin and South Elgin who otherwise would not be able to attend the Academy. The Seigle family foundation joined the following year.

In 1998, the program was expanded to support the students who live beyond the immediate Elgin area and was renamed the Partnership in Education fund.

For donors who give a gift equaling half tuition or more, the Academy will name a student as the scholar supported by the corporation or foundation; however, gifts of any size are welcome for the Partnership in Education Fund.
